

## Cultural Project for 6<sup>th</sup> and 7<sup>th</sup> grade students

Instruction for this project:

This project requires you to design a project that is inspired by your understanding about the culture, history or the language of China. There is no limit in the format of this project. It can be an artwork, a presentation, a handcraft or a poster. We will present all the projects in class at the beginning of September in 2013.

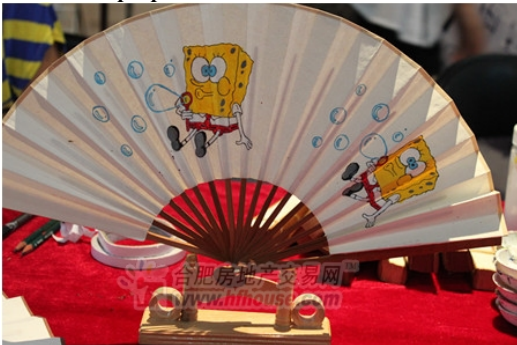

### Sample Cultural projects

Great Wall Model
